

## KCTA – Jackpot Trap League Winter 2023

Jackpot trap league is designed for anyone who wants to compete from registered shoot veterans to league champions to the casual shooter looking for some fun times breaking targets!

Start time will be 10:00 on Saturdays through the winter with a few weeks moving to Sunday due to previous events (FFA shoots) scheduled for some Saturdays or weather (check facebook and the website on bad weather mornings just in case). Shooting will be open until 1 p.m. each weekend.

- Shooters will be squadded to shoot a round from the 16 yard-line
- Scores will be compiled and shooters re-squadded based on their singles scores, minimum of 22 yards back to 27. Your Caps yardage is your singles score plus two yards.
- Entry is \$20 and includes:
  - Targets
  - Fees
  - Entry into weekly Lewis option
  - \$1 from each entry goes to the end-of-the-year Lewis
- Lewis will be two classes paying two places each with a minimum entry of 20 shooters. If less than 20 shooters, Lewis money AND scores will carry over to the next week.
- To be eligible for the EOY Lewis you have to shoot a minimum of 15 times throughout the season
- Ties will be broken by:
  - Reverse run from end on Caps
  - Run from front on singles
- Season starts on the 25<sup>th</sup> of November and will run each weekend through March (19 weekends)
- Shooters can enter/pay for and shoot as many entries as they want each weekend as long as time allows
- Optional Perfect 50s costs \$5 per shooter (non-refundable, but that counts for the whole day regardless of how many entries you shoot that day). Hit a perfect 50 and collect ½ of whatever money is in the pot. I'm putting in \$50 to start and it will build from there until someone hits it then it will build from whatever that dollar amount is.
- I reserve the right to modify the rules at any time to better fit the game, this is new to us so there may be some things I've forgotten.
