Missouri Disabled Sportsmen will be hosting a series of sporting shoots around Missouri this year. The mission of these events is to get shooters out for a day of fun & safe sporting shooting, camaraderie, instruction for youth & mobility impaired shooters, and fundraising for future hunts & events. All mobility impaired and youth (17 years and younger) will shoot for free; sponsored by event supporters and Missouri Disabled Sportsmen.

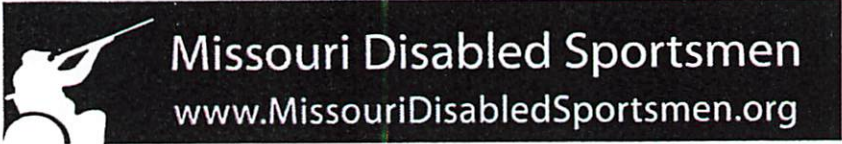

As a 501(c)(3) non-profit organization, corporate and private partnerships and funding are essential to our mission of providing hunting, fishing, shooting, and outdoor educational opportunities to mobility-impaired and youth outdoor enthusiasts of Missouri. We'd greatly appreciate your support.
